Before visiting the Arts Visalia gallery, we ask that you go over a few things with your group, to be prepared for the visit!

Gallery Rules:

1. Do NOT touch anything unless told otherwise
 - a. This includes artwork, walls, and pedestals
2. Always walk, do NOT run in the gallery
3. Use a quiet, inside voice—the gallery echoes and being loud makes the gallery very noisy
4. Listen to Arts Visalia staff—their instructions are to best protect you and the artwork in the gallery

Please come with topics of discussion and questions! We love to share our knowledge of art, the gallery, and the exhibitions currently on display.

Good Questions to Ask:

1. Who is showing their artwork right now?
2. What medium (material) did they use?
3. How is the artwork arranged?
4. Who hangs the artwork?
5. What are some of the jobs of a Gallery Director/Gallery Assistant?
6. What is the best part of your job?

Note:

Our exhibitions change monthly and vary in style, media, and subject matter. Some artwork in the gallery may be unsuitable for some viewers, such as art containing nudity. Please be aware that we honor the human form as beautiful and it is not meant to be viewed as indecent or inappropriate. If this is an issue, please contact the gallery to ask about the exhibition that will be on view during your visit. Thank you.
